NEPAL'S LARGEST POWER SECTOR EVENT

The Independent Power Producers' Association, Nepal (IPPAN) is pleased to announce its flagship event, the "Power Summit 2025," which will be held on 17th and 18th September 2025. This year's theme, "Mission 28,500 MW, Powering Nepal, Energizing the Region," reflects IPPAN's commitment to advancing the energy sector. Since its inception in 2006, IPPAN has organized the Power Summit in every two years, and this will be the 9th edition of the prestigious event, taking place in Kathmandu.

The Power Summit serves as a key platform for promoting renewable energy, fostering a collaborative business environment, and offering valuable insights into the latest technologies, policies, and energy-related developments. It attracts a diverse range of participants, including policymakers, politicians, national & international experts, academia, national & international Government representatives, all the stakeholders, manufacturers, suppliers, consultants, financial institutions, banking and insurance companies, national & international vendors, contractors, construction companies etc. all coming together to explore innovative solutions and opportunities for growth in the energy sector.
